The arrangements had been made for the meeting before it was known that another meeting was to be in progress at the same time. There was not the least desire to conflict and it is earnestly hoped that there will be none.

A FOUNTAIN that don't fount is the rank-est sort of a fake and a has-been. Maysville is no place for dead ones of any kind or descrip-tion.

MARY GARDEN says a woman cannot be a prima donna and a wife at the same time. Why, MARY! LILLIAN RUSSELL has proven the contrary half a dozen times.

THIS is a mighty appropriate time to settle the Balkan matter for all time. And it also looks like that old pirate and potentate, ABDUL HAMID, is going to receive what's coming to him.

AFTER all it looks like the oldest countries are the wickedest. There is not so much vil-lainy in a new country. Talk about the dis-order of the wild and woolly West in early times, the crude crimes of the unsettled com-munities were not a marker to the carnival of debauchery, sin and crime which characterizes our modern big cities.

THE wages question is now looming up as the biggest factor in the revising of the Tariff. Wages cut even a bigger figure than the con-sumer, because the wage earner and the con-samer are two in one and are identical. The man who earns \$5 a day can buy better things to eat and wear than the man who earns \$1.25. If all got \$5 a day the Tariff question could be easily solved.

WONDER if TILLMAN discussed the Western land problem when he went to the White House the other day?

If the wishes of the women and of the Tar-iff reformers and of the Trust haters are grati-fied, the deficit will be many times larger next year.—Kansas City Journal.

THE New York Journal of Commerce (free trade) laments that the protective policy has infected a considerable part of the Democratic party and made it "weak and vacillating on this issue."

Now, Mr. Mayor, if the Esplanade fountain would only sit up and take notice and do a little squirtin' it would add to the gaiety of Maysvillians. A fountain is typical of life, vitality and progress.

SENATOR BRADLEY hustling to the White House to tell the President that he never said it and that he didn't mean what he said and that he didn't say what he meant, is one of the amusing little skits in the great drama of poli-tics at the National Capital.

A FURTHER word about this Tariff business, which is having a prodigious financial influ-ence at exchange centers, and all over the coun-try at the present time: Every time a revi-sion of the Tariff takes place, that same old story of disastrous waiting occurs. From a general trade standpoint, it is wicked in its needlessness.—Philadelphia Item.

There is more Catarrh in this section of the
country than all other diseases put together, and
until the last few years was supposed to be incur-
able. For a great many years doctors pronounced
it a local disease and prescribed local remedies,
and by constantly failing to cure with local treat-
ment, pronounced it incurable. Science has
proven Catarrh to be a constitutional disease and
therefore requires constitutional treatment. Hall's
Catarrh Cure, manufactured by F. J. Cheney &

the market. It is taken internally in doses from
10 drops to a teaspoonful. It acts directly on the
blood and mucous surfaces of the system. They

THE CAUSE OF COLDS

Good Advice Regarding the Pre-
vention of Coughs and Colds

If people would only properly fortify and
strengthen their system, about 98% of coughs,
colds and pneumonia might be avoided. These
troubles are simply the result of weakness,
which produces a catarrhal condition of the
mucous membrane, which is an internal skin of
the body. When this skin is weakened, it be-
comes infected with germs which are carried
through the system by the blood. These para-
sites attack and break these delicate tissues
and set up a soreness which produce what is
in reality an external scrofula.

The only thing that will cure coughs and
colds and prevent pneumonia is a medication
which is absorbed and carried by the blood so
that the diseased membrane is disinfected,
cleaned, soothed and healed.

I have a remedy which I honestly believe in-
fallible and unsurpassable for the prevention
and cure of coughs, colds and all catarrhal
conditions. It is the prescription of a famous
physician, who has an enviable reputation of
30 years of cures gained through the use of
this medicine. I promise to either effect a
cure in every case or make no charge for the
medicine. I urge everybody in Maysville who
has need of such a medicine to try Rexall
Muc-Tone.

It stands to reason that I could not afford
to make such statements and give my own
personal guarantee to this remedy if I was not
absolutely positive that I could substantiate
my claim in every particular, and I see no reason
why anyone should hesitate to accept my
offer and try it. I have two sizes of Rexall
Muc-Tone. Prices 50c and \$1. Sometimes a
50c bottle is sufficient for a cure. As a gen-
eral thing, the most chronic case is cured with
an average of three large bottles. Remember,
the medicine will cost you nothing if you are
not satisfied in every particular. Thos. J. Chenoweth,

tucky in laying the cornerstone of the
Lincoln Farm Memorial, and an inquiry re-
garding the state of health of Mrs. Willson
following the runaway accident at Frankfort,
news of which reached Colonel Roosevelt just
before he sailed from this country.

SHEEP KILLING

By Worthless Curs Has Demoral-
ized the Industry—Fool Dog
Law Responsible

Augusta Chronicle.

Sheep killing dogs are playing havoc with
sheep in the Chatham precinct.

Last Saturday night C. D. Asbury lost eight
fine ewes and thirteen lambs, the latter aver-
aging about thirty-five pounds each.

Within the past few months dogs have killed
more than \$1,000 worth of sheep in that pre-
cinct alone.

The farmers have about decided to sell their
flocks, owing to the ravages of the dogs.

Mr. Asbury was away at the time of his re-
cent loss, transacting business in Boone county,
and to whom the dogs belong remains a mystery.

Are You a Procrastinator About Your Clothes and About Nothing Else?

The "wait-awhile" policy is not good in your business. It's not good in your social affairs. You are not a "procrastinator" in any affair which you consider important.

Why are you in the matter of buying your clothes?

Why defer the matter until all other things have been attended to? Is it because you think the other things more important? Or—WHY is it? Think it over—and then get interested today, for to "wait awhile" is to MISS a real buying chance—the best one in town by long odds.

FEARIS.

A good rain fell here Monday night.

Snow No. 17 fell here a few days ago.

Spring seems to be here with all its beauties.

Robert Stricklett has moved to Northern Ohio to farm.

Thomas Fearis is home from the city suffering from the grip.

Alva West, who is now a Queen City merchant, is visiting his mother here.

Miss Vessie Dodd arrived home Monday from a three weeks' visit to relatives in Burtonville.

Mrs. Eliza Prickett is visiting her son, Albert, who is an operator on the C. and O. Railroad at Surveyor, W. Va.

Rev. W. H. Davenport reports that the Mower Campmeeting will come off the second or third week in July.

By reason of ill health the Postmaster here will resign soon, after twenty-nine years and six months service for Uncle Sam on one-fourth salary.

Farmers are up with their work and ready to plant corn next week if the weather is good. Plenty of gardens made and the fruit crop seems to be safe and sound.

Mr. Editor, don't let the base ball reports crowd out the news from the rural districts. Country people keep your city moving and both should be represented alike.

A. E. Cole is allowed a pension by special act of Congress, knocking his claim out before the Pension Office by reason of technical evidence, and also saving Uncle Sam several hundred dollars due the claimant.

TRUTH TRIUMPHS.

Maysville Citizens Testify for the Public Benefit.

A truthful statement of a Maysville citizen, given in his own words, should convince the most skeptical about the merits of Doan's Kidney Pills. If you suffer from backache, nervousness, sleeplessness, urinary disorders or any form of kidney ills, the cure is at hand. Read this:

Mrs. John T. Wallingford, 108 Commerce street, Maysville, Ky., says:

"Doan's Kidney Pills have been used in my family with most beneficial results and it gives me pleasure to corroborate the testimonial we gave in their favor some years ago. Doan's Kidney Pills afforded me great relief from kidney disorders and I have no hesitation in again recommending them."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

QUALITY GROCERS.

The opening of the new Catholic Church yesterday morning was largely attended, the collections being correspondingly gratifying, nearly \$400.

A meeting of all graduates of the Maysville High School has been called for tomorrow evening at 7:30 o'clock at the High School Building, for the purpose of organizing an Alumni. It is urged that every graduate of the School be in attendance.

Maysville's new place of amusement, the "Pastime," is the most beautiful of its kind to be found in any city. The auditorium and facade have been fitted up in a gorgeous manner regardless of expense and its wondrous beauty is the admiration of those who have visited the little gem. The opening Saturday night was a decided success, six exhibitions being given and the house crowded to its full capacity at each performance. Besides the excellent show each patron was presented with a carnation. The "Pastime" has started right and is bound to be a success.

A telegram was received by J. W. Fearis Tuesday, the 13th inst., that George W. Bell, a former resident of this place, died at his home in Heyworth, Ill., the day before. He left here forty-two years ago and made money farming in and about Bloomington and Heyworth. He raised a large family of boys and one daughter, who are all prosperous farmers and business men in Illinois and States further West. He had the dropsy and heart trouble and was about 76 or 78 years old. He was on what they term out there, "the retired list of farmers." He married a sister of J. W. Fearis and Mrs. A. S. Cole. His family is all married and there are many grandchildren to love and cheer up the widow in her old age.

The revival meeting at the First M. E. Church, South, is increasing in interest. The services yesterday were most delightful. Dr. Horton took for his morning subject "The Greatest of All Questions." There was a large audience present, and three accessions to the Church. Had special services for children in the afternoon; four accessions at this service. The evening service was well attended and the subject, "The Sublime Purpose of a Great Life," was presented in a forceful and beautiful manner. Dr. Horton is one of the most interesting and helpful Preachers that has ever visited our city. Preaching each evening this week at 7:30 o'clock. Subject for tonight, "The Pole and the Cross." Come and hear him.

One of the most elegant functions ever given in Maysville will be that of tomorrow evening from 8 to 10 o'clock, at the beautiful home of Mr. and Mrs. J. Barbour Russell in East Third street, who will have as their honor guest Mrs. John G. South of Frankfort, Ky., daughter of Senator W. O. Bradley. The affair will be distinctly an ante-nuptial reception in honor of the bride-elect, Miss Roberta Stockton Cox, daughter of Lieutenant Governor and Mrs. W. H. Cox.

Butter is plentiful and cheap in the county.

The C. and O. is cutting rates from Newport News as part of the Eastern rate war.

Garrett Case of Abigail, Robertson county, sold recently to R. O. Chambers of Sardia 75 ewes and their lambs for \$450.

It's against the law to sell whisky at Washington, yet whisky is sold there; it's against the law to seine, yet seining is carried on; it's also a violation of the law to allow stock to run at large, yet this is allowed. So there you are.

Three weeks ago J. M. Crawford, an aged and wealthy citizen of Atlanta, fell in love with the biscuits made by Mrs. Belle Savage and married her. Last week he died of acute indigestion, having eaten too many of the biscuits, and left all his money to his bride.

DOCTOR ADVISED OPERATION

Cured by Lydia E. Pinkham's Vegetable Compound

Paw Paw, Mich.—"I suffered terribly from female ills, including inflammation and congestion, for several years. My doctor said there was no hope for me but an operation. I began taking Lydia E. Pinkham's Vegetable Compound, and I can now say I am a well woman." EMMA DRAPER.

Another Operation Avoided. Chicago, Ill.—"I want women to know what that wonderful medicine, Lydia E. Pinkham's Vegetable Compound, has done for me. Two of the best doctors in Chicago said I would die if I did not have an operation, and I never thought of seeing a well day again. I had a small tumor and female troubles so that I suffered day and night. A friend recommended Lydia E. Pinkham's Vegetable Compound, and it made me a well woman."—MRS. ALVENA SEERLING, 11 Langdon St., Chicago, Ill.

Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has proved to be the most successful remedy for curing the worst forms of female ills, including displacements, inflammation, fibroid tumors, irregularities, periodic pains, backache, bearing-down feeling, flatulency, indigestion, and nervous prostration. It costs but a trifle to try it, and the result has been worth millions to many suffering women.
